Chairperson - Mrs. Alka Sharma receiving Lifetime Achievement Award at Global ISA Awards for creating significant difference in the education sector.

GLOBAL EDUCATION AWARD

Hard work always pays off and is recognised too. Our Chairperson Mrs. Alka Sharma has been tirelessly working for the students with same zeal, enthusiasm and passion for past 30 years. It was indeed a proud moment today when Central Public School received an award for its outstanding contribution for phenomenal pedagogy at Scoo news Conference at Ananta Udaipur. The award was received by Chairperson- Mrs. Alka Sharma Mam and Principal Ms. Poonam Rathore. The Award was presented by Mewar's royal family member Prince, Sh Lakshyaraj Singh Ji. Also present were Sh VP Singh, Badnore, Governor of Punjab and Administrator of Chandigarh, Sh Amit Lodha IPS, (the super cop of India), Mr Anand Kumar (super 30 fame) Sonam Wangchuk a famous educator from Ladakh..! Over 80 Educators attended this two days Conclave.!

The next phase after the informative learning orientation workshop for the freshers, CPS conducted Parent's Orientation Programme for the Juniors. Teachers, students and parents are linked in the pursuit of school education. In accordance with this belief the parents were invited to attend an orientation. The programme apprised the parents with the school's Achievements, Rules & Regulations, Competitions (Academic and Cultural). They witnessed the displays – creative work their child started learning to do. The 'Thank You Mom & Dad' hand made card by their children touched them. There was satisfaction written on their faces. The programme was presided by the Chairperson Mrs. Alka Sharma and assisted by Principal, Vice-Principal & the teachers from the Junior wing.

Parents Orientation Program, at the beginning of the academic year for all classes serve as an excellent platform to bond school, parents and students for the common goal and progress of the child.

A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe. To uphold and strengthen this belief the Chairperson CPS Mrs. Alka Sharma steers this orientation program with great enthusiasm and expectations. A presentation covering the profile of the school with spot lights on the curriculum, rules and regulations, teaching methodology, co-scholastic activities, examination/test patterns, notable achievements of the school, language skills and beyond classroom activities. The parents interacted with the Chairperson, Principal and teachers. The program ended on a pleasant note. All the parents were thanked for being a part of the education team.

The students looked fresh and happy returning to school after the summer break to a packed session ahead. The Chairperson Mrs. Alka Sharma with her management staff and teachers were present at the entrance gate to accord a big warm welcome to the children with beaming smile and affectionate greetings – putting tilak and sweetening their mouth with gur and dhaniya in our traditional way.

Invocation for divine guidance to Ma Sarswati

All members ready to guide kids to write 1st letter 'OM'

The tiny tots have started their academic journey. They come to school, spend good time listening to songs, stories, play with their classmates and make new friends. Very soon written work will be started and the beginning of the writing process at CPS begins with 'Aadhyaksharm' an event to celebrate the first writing of the Alphabet/symbol keeping with the sanctity of our traditional norms, seeking the blessing of Goddess Saraswati, Gurujans and Parents. Under the loving care and helping hand of the Chairperson Mrs. Alka Sharma, Director Administration Mr. Anil Sharma, the Principal, Vice Principal, Admin Head, the Headmistress and senior teachers; the kids form the symbol of 'OM' – the divine word on decorated plates laid with yellow rice. It is a very auspicious event very significant in their life and memorable for the parents. The event started with the lighting of the lamp and an arti to the goddess Saraswati. The chairperson Mrs. Alka Sharma later addressed the parents on the importance of the day. Her vision of making children become bright and a true Indian is reflected in all the activities designed for the children at CPS.

Sharing with the Chairperson

Whenever we share/care we get true content in life. If our kids learn to share at young age they grow up to become caring, humble and responsible adults

Students sharing food with ancillary staff.
Learning to love all

Learning to share with peer group

'Daan' is considered to be highly divine in all religions; sharing gives strength to our inner energy, we feel true happiness when we share, care and serve.

Serve food to birds, dogs and ants

July being the month of spiritual development all Cpians learn how sharing gives strength to the inner energy. If children learn to share, be kind to all living beings then they grow as good humans taking care of those around them. Cpians shared food with classmates, Staff even with ants and birds. They also learnt to put a bird feeder and a bowl of water outside the house. Sharing makes a person happy, contented, humble n responsible.

CPS took the initiative to create awareness among the parents of X Standard students by organizing an orientation program related to the Measles Rubella Vaccination campaign. The school management motivated parents to ensure participation of their ward for this vaccination.

Shri BP Joshi Sb's Death Anniversary

15-07-2019

In remembrance and gratitude Shri BP Joshi Sb's Death Anniversary, Your memory is a treasure You are loved beyond words! The students, teachers and the management staff gathered in the assembly ground today to pay homage to our revered Shri BP Joshi Sb, an eminent academician and philanthropist, (also the elder brother of Mrs. Alka Sharma's father) on his death anniversary which falls on 18th July. The guru purnima day coincided with this day so our gratitude and tribute to him as guru befits our remembrance of him on this day. He has left a rich and proud legacy for all of us to follow. The Chairperson Mrs. Alka Sharma in her speech spoke highly of him and mentioned to take inspiration from his contributions to the society in all fields.

SENSE ORGAN ACTIVITY

12.07.2019

Experiencing the sense of touch

Listening to the teacher

Aim : To know about sense organs and their purpose.
Activity : Students touched and felt various things and tasted sweet, sour, bitter, salty things.

See the big eye

Teacher explaining about the sense organ

The big mouth - model at Narayan Seva Sansthan

In series of 'sense organ' Activity based learning Students of Pre Nursery and Nursery class saw models of eyes, nose, tongue teachers also showed the big cut-outs of sense organs kids tasted sweet, salty, bitter, sour edibles and learnt to differentiate their taste.

Entering the Reliance Mart

Going around the place

Observing the self-display of commodities

A visit to Reliance Mart. To learn and to see how our community helpers work for us. CPIANS also learned how each member of society is useful. They start observing, appreciating these helpers doing different work for us. This develops thankfulness, attitude of gratitude from an early age .

Cpains have always believed Benjamin Franklin's quote "Tell me & I forget, teach me & I may remember, involve me & I learn".

In order to be good citizens it is very important to follow traffic rules. Students of class 1 were made to practice how to cross zebra lines - Look left and right and then cross.

The nation can only be educated when it's citizens become sensitive to civic sense.

VISIT TO THE COBBLER SHOP AND THE TAILOR SHOP

27-07-2019

The visiting team of students

Understanding the service of our service providers

Cobbler's work of art

A visit to the Cobbler shop and the Tailor shop helped them understand about different professions and our helpers. Technology has made people very self centered and to make our young Cpains sensitive and grateful, they were shown how much hard work is required to make shoes or stitch clothes. No work is small and to show gratitude it is our duty to honour this labour. If we are not using any pair of shoes for any reason, it is better to give it to someone to make good use of it.

INTERNATIONAL TIGER'S DAY

24-07-2019

The majestic tiger stripes!

Picture of the big wild cat

Wearing animal mask

Tiny Tots of CPS Junior celebrated International Tiger Day to create the awareness on Save Wild life. The students came to school wearing a Tiger mask. A movie on Tiger was shown to the student who learnt a lot about this big cat.

Students took a round of the school premises, feeling and roaring like a tiger!

The message 'Save the Tigers' was taken seriously by them.

MAKING FAMILY PHOTO FRAME

27-07-2019

CPS has always believed in Value based Education. In order to inculcate these values, the activity of making frame for family photo was conducted in school. Cpians know the importance of family which is above everything else in the world. They were made to understand while making family photo frame that our priority in life is family not money. The parents would write their blessings on these photoframes to teach the power of blessing in life. It was clearly communicated how our family is important and very dear to us.

RAINBOW ACTIVITY

07-08-2019

Understanding and doing

Colours of rainbow

Kids learning the concept of similar and different. They also learned to sort and differentiate and at the same time, from the same activity, learned the 7 colours of rainbow.

TEACHING TABLE MANNER ACTIVITY

07-08-2019

This is the right time to learn table manners and CPS is an early bird in imparting holistic learning to it's students. These little kids were given worksheet with the instructions laid down on how to follow table manners and they did their practical activity using Fork, Knife and Spoon.

Eating style. The layout

FOOD ACTIVITY

07-08-2019

Know what is value food

We can explain different kinds of value food

Grade II Students demonstrated different kinds of value food like ENERGY GIVING FOOD, BODY BUILDING FOOD AND PROTECTIVE FOOD. Students spoke on it with knowledge and enthusiasm.

The activity was part of their EVS curriculum.

Healthy food healthy life

Organising an event offers many learnings. The most important ones are 'sense of responsibility' & 'punctuality'. Keeping in mind the safety & security of students, every year Cpians organise Hariyali Amavasya Mela in the school campus where students feel safe and secure & can enjoy the carnival. This year also the same was organised on July 31st with more than 2000 footfalls. The stalls were managed by the students representing various houses. To ensure the quality & hygiene of food, all the eatables were prepared by the house teams (comprising of house masters, house teachers & house students) using fresh water & healthy raw material. Watching students organising the event, helping each other, sharing the happy moments, inspiring younger ones was a treat to the eyes. The following week the teachers & students shared their experiences & learnings from the fair in the school assembly which in turn motivated the junior students to be kind, gentle, disciplined, helping etc.

Nurturing gives power to our inner self

Students brought organic pot to grow plants

Environment friendly using empty Green Coconut shell planting pot

Planting/Sowing Seeds, Power of Nurturing

All eyes on us ! It was a novel initiative by the Chairperson Mrs. Alka Sharma to sensitize the students to the 5 powers through activity based value learning. The students of class VI were initiated into realizing the power of nurturing by sowing seeds/planting saplings of mint and coriander. Nurturing requires love, care and tenderness. It will come naturally to them when they will look after their baby plant. This is the magic of learning by doing. CPS nurtures young minds to become good citizens of tomorrow.

POWER OF BLESSINGS

07-08-2019

During the spiritual development month CPIANS learn that inner energy can be manifolded by 5 powers. To learn power of blessings children made table mats. Drew pictures of palms. They pasted pics of parents on the palms and the Parents wrote message of blessings there. These were laminated, now children will keep their tiffins on these mats and have food and will absorb the energy emitted by these blessings. Parenting tip: always bless your child openly. Learn the art of blessing. Bless specifically and loudly.

HOUSE HOLD CHORES

13-07-2019

Learning to fold clothes

Folding the shirt

See the folded shirt

Young Cpians learnt to fold clothes and to keep their wardrobe organized. A clutterfree wardrobe is the sign of a clear organized ,disciplined personality. Clutter is the reflection of misfortune Each child must be self-sufficient and confident person.

Ready with the materials

Following the procedure

Working to the final stage

Attractive packages

The Marvel of learning by doing

Under the 'house-hold chores' activity, the students of class VIII today exhibited exciting results. They did gift wrapping with materials like; paper carry bags and cover papers which we receive from shops. It is a learning to recycle materials and create attractive packages. The boys and girls participated in the activity with equal interest. Also they left the place clean by putting all the trash into the bin.

Folding Napkins

Completed the task

To learn household chores is essential for self respect, selfconfidence and to be self sufficient. All children should start doing household chores from the age of three. Parents doubt and think that it is too early and get disturbed by the mess they make. When children grow they lose natural interest in doing household chores. It is very sad but true. This day all worked with motivation and they learnt the activity of folding napkins.

Under the guidance of Mr. Kushal and his wife the owner of ROOT spa and salon. CPIANS made lovely duck and other shapes with napkins.

Learning by doing-an important aspect of CPS education system

Aim: locating my state and other states.

Learning first time to locate on a political map . Making map key, by themselves with their preferred colours, symbols and short forms.

SCIENCE ACTIVITY

13-07-2019

Be careful with fire

Any fire gives flame, light and heat

Aim: To take care and beware of burning object activity : burning candles and incense stick , To understand that

- 1) burning candles increases the temperature, warmth and smoke
- 2) one should not use candles or fire unnecessarily as it can be dangerous and cause fire explosion.
- 3) in case of fire we have to call 101 to call fire fighters at fire station and 102 for ambulance in case of any mishap.
- 4) use fire extinguisher in case of emergency.
- 5) blow off the candles when not in use.

Learning adjectives and opposites with fruits

Inside /outside, few/many, hard/soft, sweet/sour, big/small, Children collected fruit, Washed them, peeled, cut and made fruit salad and served to all the classmates.

Cleaned and threw the peels and waste in bins.

While doing this they touched, felt, and understood that apple is hard banana is soft, Apple is red outside while white inside, It has few black seeds, Pomegranate has many seeds, Now this is practical knowledge, whenever a child will eat any fruit, he will say its colour, size, texture etc. CPIANS learnt about 26 fruits like this.

Be close to nature

Love green life

Nature is the best teacher anyone can ever get. The green essence fills our heart, mind and soul with happiness and tranquility. The environment club of CPS explored education beyond the classroom into mother nature's lap. Basic agricultural techniques, sowing and ploughing were taught in the school's vegetable garden. Lessons about healthy and organic lifestyle were also given.

Team CPS with Doctors

Students team at Fortis to pay respect on Doctors Day

Cpians' gratitude to Doctors for their services

1st July is celebrated as National Doctors Day in remembrance of the legendary Physician and the Second Chief Minister of West Bengal Doctor Bidhan Chandra Roy. To make it memorable students of CPS paid a visit to J.K. Fortis Hospital. They gave a warm welcome to the esteemed Doctors with bouquets and thank you note. Our proud Cpians communicated our gratification to the doctor community, who not only help us in our everyday lives but also have made relentless efforts towards achieving remarkable improvements in the medical field.

CPS is a true temple of learning. The gurujans, here, are held in high esteem. Guru Purnima is celebrated with great devotion and veneration observing the ancient custom of bestowing the best tribute to gurujans, distinguished guests and the invited parents. The students offer puja to their gurujans with utmost humbleness and receive whole hearted blessings from them. The function started with the lighting of the lamp, and a pooja to goddess Saraswati, welcoming the Chief Guest, Prof.P.K. Dashora, an erudite academician and former Vice Chancellor of Maharana Pratap University of Agriculture and Technology, Rajasthan.

The presence of our honourable Chairperson Mrs. Alka Sharma, Director Administration Mr. Anil Sharma, Director CPS, Mr. Deepak Sharma, distinguished guest Ms. Alice from U.K. enhanced the grandeur of the festival. Mr. Vikram Jeet Singh, Jt. Director also graced the occasion with his presence. The Blessing of the Day was imparted by our beloved Chairperson Mrs. Alka Sharma to the students. Dr. Pooja Choudhary, Senior teacher, received the Best District Teacher Award. (SOF - IGKO). And Senior teachers whose students got 100 percent marks in different subjects received special appreciation award from the Director CPS Mr. Deepak Sharma - The Teachers are Mr. Rajaram Vyas (Painting) Mrs. Krishna Shaktawat (Hindi) and Dr. Pooja Choudhary (Psychology) along with other teachers producing best result in X and XII board Exams. The students of Class X securing 90 percent and above marks were also honoured. Hearing the speech of the Chief Guest and that of Director Administration Mr. Anil Sharma, the students felt blessed and ennobled. The festival concluded with a hearty vote of thanks from the Principal Mrs. Poonam Rathore. It was a day dedicated by the students to their gurus. CPIANS carry forward the ancient Indian legacy with sanctity in celebrating this festival.

A mela to teach many learnings, practically, in four walls of class many things are taught to the students but are they using their theoretical knowledge in daily life? All students were punctual ,started the mela sharp at 3 p.m "Time is money". They kept the whole ambience absolutely clean. more than 2000 people were there but everyone followed total discipline. Students and teachers cooked hygienic and tempting dishes and sold them together. All this develops a strong bond that is required to study and follow instructions willingly . Fun and laughter was the by product offcourse. In the next 4 days teachers will share their experience's with their house students in the school assembly this motivates and inspires children to be kind, gentle, disciplined, quick, sharp and very thoughtful.

The Independence Day fervour is felt from the length and breadth of the Nation. The 73rd independence day celebration was held with the hoisting of the National Flag followed by the national anthem and a gallant house wise student's march past displaying the pride of their houses and patriotism of the nation. A short cultural programme of song and dance lifted the festive mood. The Director Administration Mr. Anil Sharma & the Chairperson, Mrs. Alka Sharma speaking on the occasion reminded the students of the bliss of growing up in an independent country and to contribute towards building an integrated, strong and prosperous nation. This Independence Day celebration was a momentous one. It coincided with Raksha Bandhan. Braving the rains the program was conducted without any interruption.

The event was organised by the Office of District Collector in association with the Gandhi Jeevan Darshan Committee to commemorate 150 years of celebrating the Mahatma. Ms. Jhalak, a talented drawing artist, has several certificates and cash awards to her credit including the Swatch Bharat Mission Certificate.

Suhani Patel receiving her trophy and gifts for 1st Runner up.

Good handwriting serves as a primary tool of communication and knowledge assessment for students in classrooms. CPS education system emphasizes on good handwriting at the early stage by introducing handwriting exercises. How fruitful this step has been is evident from the HKG notebooks. Amazing letter formations in each copy makes one believe that one particular student has written in the notebooks of all the students in the class. Such is the uniformity in the handwriting of all the students.

CALLIGRAPHY COMPETITION

08-05-2019

The art of calligraphy

Calligraphy is an old powerful art form of effective written communication which has a nostalgic charm and consistent stylistic trend. This art is kept alive at CPS by conducting Calligraphy competitions both in Hindi and English for classes one to tenth. The students wrote small and big alphabets, words with complex lettering and a passage to exhibit their artistic and stylish skill in calligraphy. A good number of enthusiastic students took part in the competition.

All for education

ALKA SHARMA NURTURED A DREAM OF EDUCATING CHILDREN EARLY ON IN HER LIFE AND SHE WENT ON TO DO JUST THAT

Dr Usha Dave

Alka Sharma, chairperson of Central Public Senior Secondary School (CRS), Rockwoods High School and Rockwoods International School always dreamt to do something special in life. The turning point in her life came when she happened to teach a group of girls in her native village Deogarh. At that time she herself was studying in class VI. During this short stint of teaching, Alka grasped many things. The innocence of the young girls who she was teaching touched Alka's soul so much that she decided she would run a school. With firm determination and hard work she not only fulfilled her dreams but also became an inspiration for others. She has also been conferred with various awards including the Icon of Mewar, Jewels of Udaipur and Women inspirations of Rajasthan. A Reiki grand master too in the past 20 years she has attended more than 1000 students.

Extremely fond of cooking, Alka also takes free classes for parents to teach them

healthy and delicious Tiffin recipes for their kids.

Born in June, 1960 to Dr. Padmini and Shyamal Joshi at Udaipur, Alka did her B.Sc from JNUV - Jodhpur followed by MA in English literature from Rajasthan University in 1981. She also obtained her B.Ed degree. In order to fulfil her dream she established CPS in 1989.

At home her parents, husband Anil, son Deepak and daughter Pooja always supported Alka in all her endeavours. Her dedicated efforts ultimately yielded fruitful results and CPS became a school to reckon with. Later in 1995 and 2011, she established Rockwoods High School and Rockwoods International School respectively.

Alka feels that parents too need a lot of guidance to nurture their children. She is of the opinion that in the present time text books are not required and the curriculum needs extensive improvement. She feels that at the school level all students must be perfect in their Civic sense; traffic rules etc and their language must be rich. Children should read as many books as possible and parents should encourage them to read more.
