GOLDEN MANTRAS OF CPS

CPS is proud of these 8 golden mantras: all the competitions and events are planned around these 8 kinds of development for holistic growth of its students

GOLDEN MANTRAS OF CPS

A great vision of our honorable chairperson to develop a child in a very planned manner. All the competitions and events are based according to above mentioned developments.

Spiritual Development

Power of Prayer: Children singing तेरा मंगल....

Power of Blessing: on Gurupurnima day. Children worshipping Gurujans and taking divine blessings

Children share food with ancillary staff & challenged persons to understand "Joy of Sharing". They also feed various animals & birds as part of social studies under the guidance of the Chairperson.

Activities on 'Power of Blessings' by the Chairperson Mrs. Alka Sharma

Teaching at CPS about the five powers: Power of prayers, blessings, sharing, nurturing & warm smile

Our Chairperson Mrs. Alka Sharma believes that to have a harmonised balanced and happy society, it is mandatory to teach spirituality to all the students as per the planned curriculum

Emotional Development

Cpians learn to deal with emotional stability. They learn to deal with anger, guilt, worry, procrastination and how to break from the past and move on....

Cpians learning Sudarshan Kriya

Our Chairperson Mrs. Alka Sharma is teaching Reiki and Yoga for the past many years

Students and teachers of CPS practicing yoga

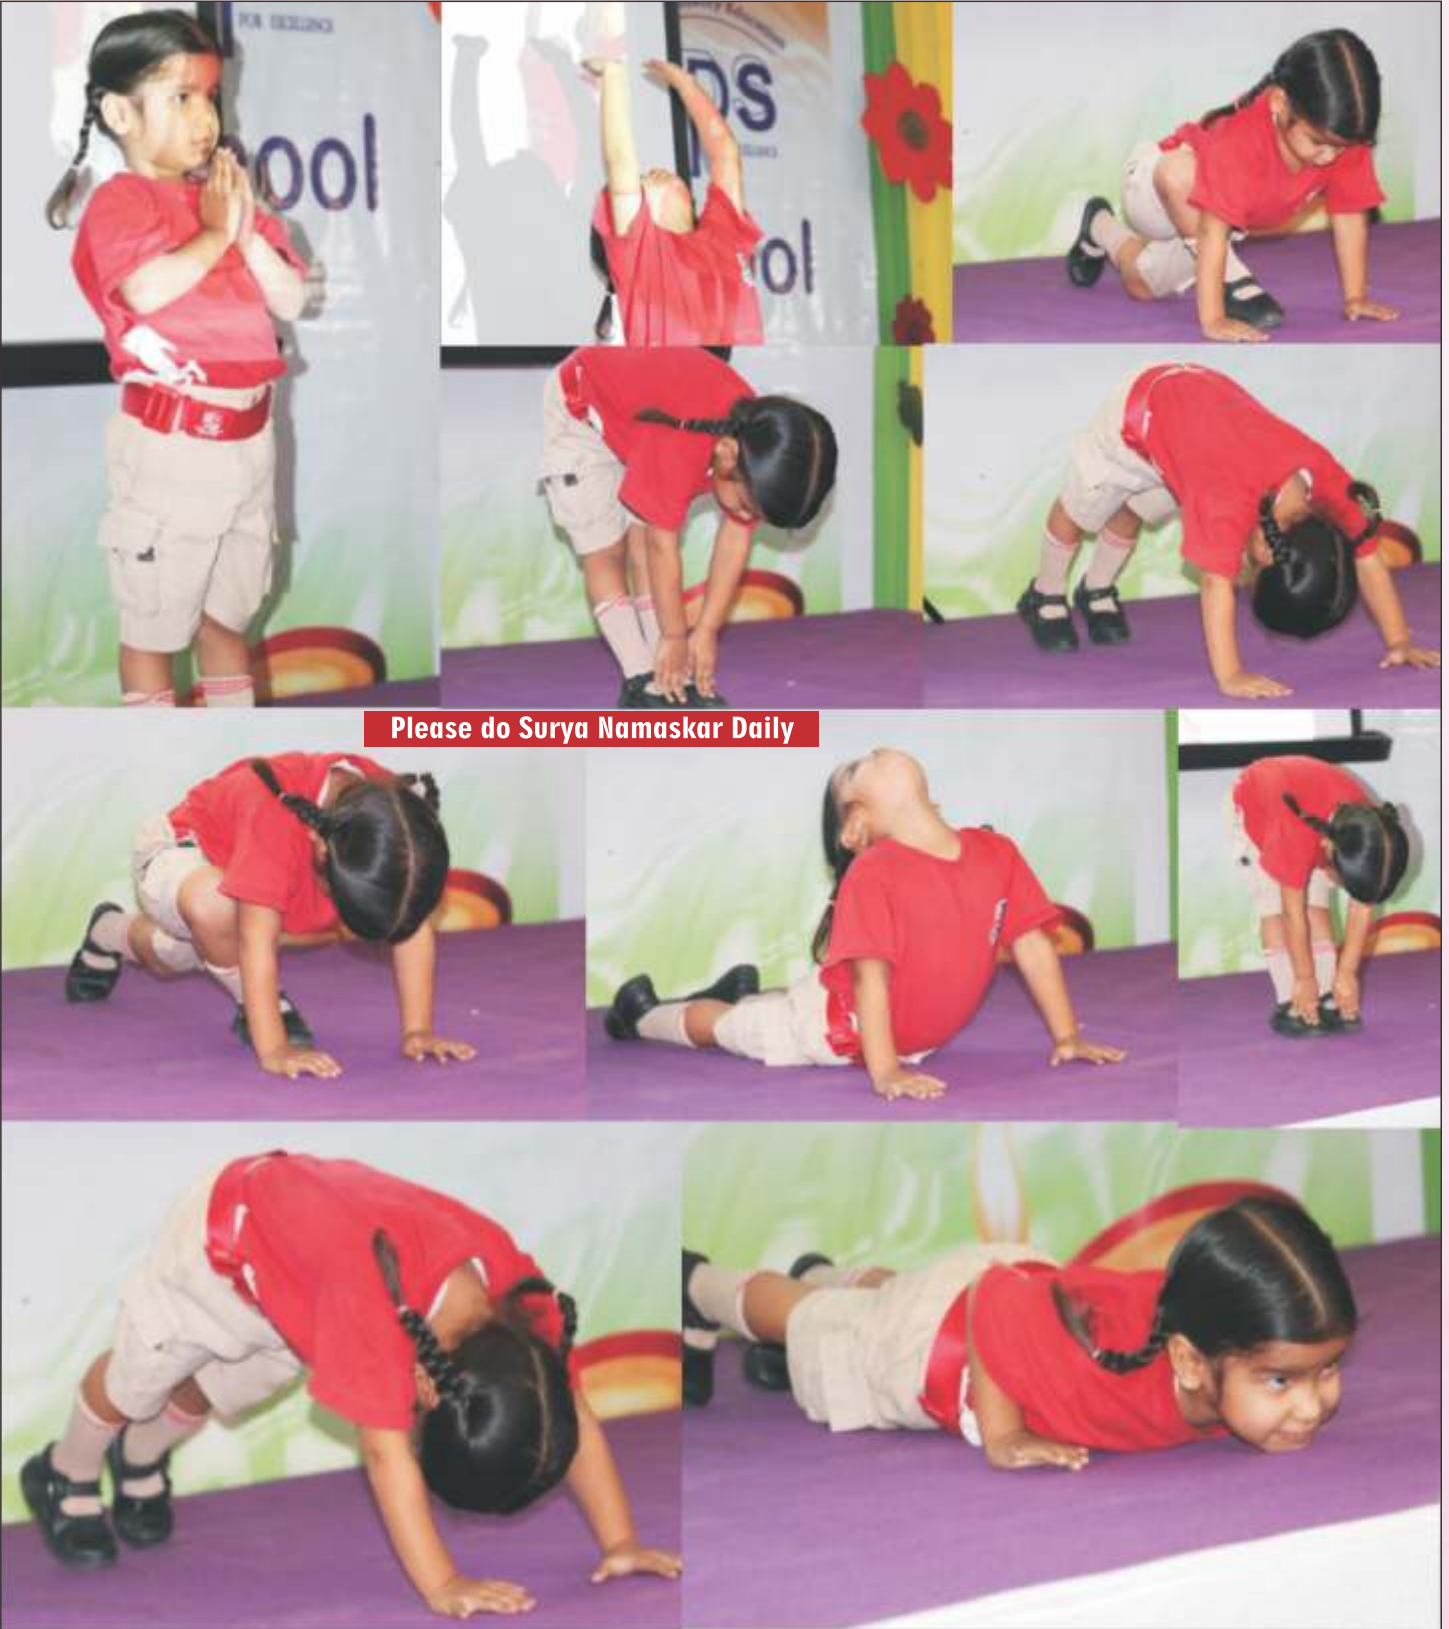

Our beloved Mrs. Alka Sharma has designed a very systematic curriculum where we learn to control the emotions (positive & negative); and also gain emotional stability.

Physical Development

Cpians learn Vajrasan and Suryanamskar. To encourage, every month in the assembly, they have competitions and get medals for good performance

Mrs. Alka Sharma believes that if students practice yoga with parents and grandparents daily at home, it is going to be highly beneficial for the family and for the whole nation.

Personality Development Activities

Basketball court

Badminton court

Skating Rink

Music Room (Vocal)

Music Room (Instrumental)

Our beloved chairperson Mrs. Alka Sharma believes that to develop a winner & successful personality, a child must do any of these activities daily during the school time.

Physical Development

Carrom

Chess

Swimming

Dance

If a child does any activity in between the study time then it balances his right and left brain; secretes Happy Hormones; and motivates a child to do self study

Mental Development Activities

Social Development Activities

A visit to Gurudwara

Cpians learn to be socially responsible. They visit many places due to which they become confident and interactive

A Mela for Practical Learning

Hariyali Amavasya Mela for 3000 visitors. Cpians keep all surroundings absolutely neat and clean despite large number of visitors

Cpians learn to address current social issues and contribute to remove various social stigmas of the society through Nukkad Natak.

Social Development Activities

CAMP 'KNOW THYSELF' (For Class Incharges of all classes)

Selected Cpians go for a camp, they stay together, work together as per their schedule and learn to be interactive. Camping is an important technique on learning experience derived by the Cpians following a planned schedule, learning to do work joyfully and develop important qualities to become a successful leader in life. They engage themselves in a variety of activities ranging from cooking, housekeeping to cultural and social. In the end they evolve as good leaders with finer qualities.

Students performing in 'Know Thyself Camp'

Cpians learn to be self sufficient and to help family members which makes them helpful and confident.

मेरे पूरे जीवनकाल में जो सबसे अधिक उपयोगी शिक्षा साधन tool देखा है तो वो है शिक्षा शिविर (education camp) जब बच्चे बिना किसी निर्देश (instruction) के शांतभाव से सारे दिन के कार्यों को पूर्ण जिम्मेदारी से गंभीरता से करते हैं; camp में रहकर एक दूसरे की सहायता निःस्वार्थ भाव एवं तत्परता से करते हैं तब teamwork सीखते हैं जो जीवन में सफल होने के लिये बहुत उपयोगी है। सारे दिन के कई सारे काम teacher और student को मिल कर करने होते हैं जिससे bonding और connectivity बढ़ती है। हमारी अलका शर्मा मेम कहती हैं कि यदि बच्चों में team work की भावना हो और teacher बच्चे की thick bonding हो तो बच्चा खुशी-खुशी पढ़ने का कार्य करता है। उसमें acceptance की भावना आ जाती है जो समाज के लिये अति उपयोगी है।

Language Development Activities

Sankrit Shlok Competition

Students celebrating Hindi Diwas

English Champ is an integrated language development competition which takes the participants through several language communication skill activities. The aim is to draw their interest in the English Language to become fluent speakers and good writers. Those who excel in the several rounds of interview are ranked as champions and awarded grand prizes.

The Winners of English Champ Competition

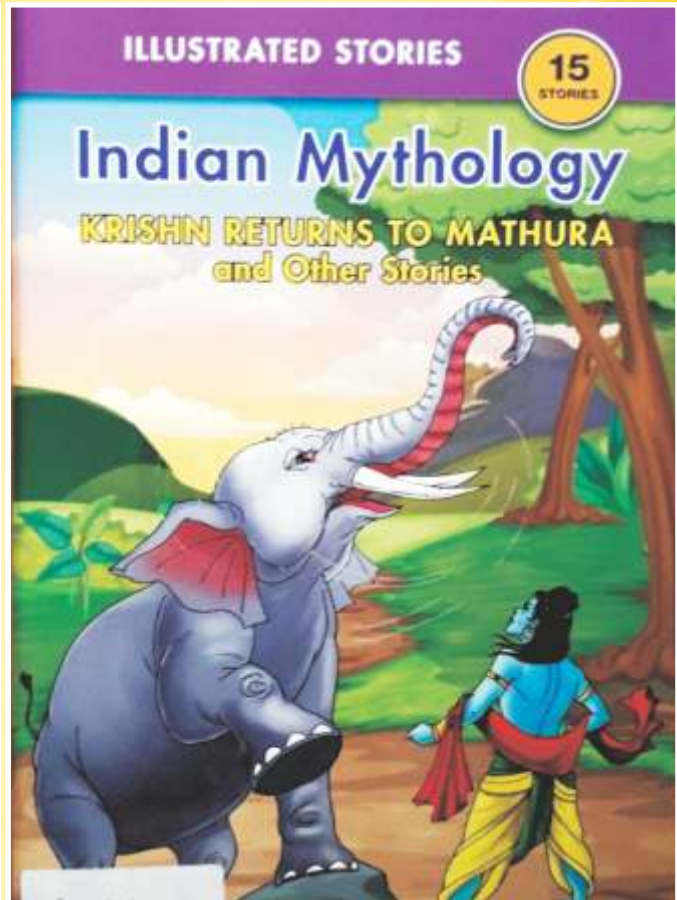

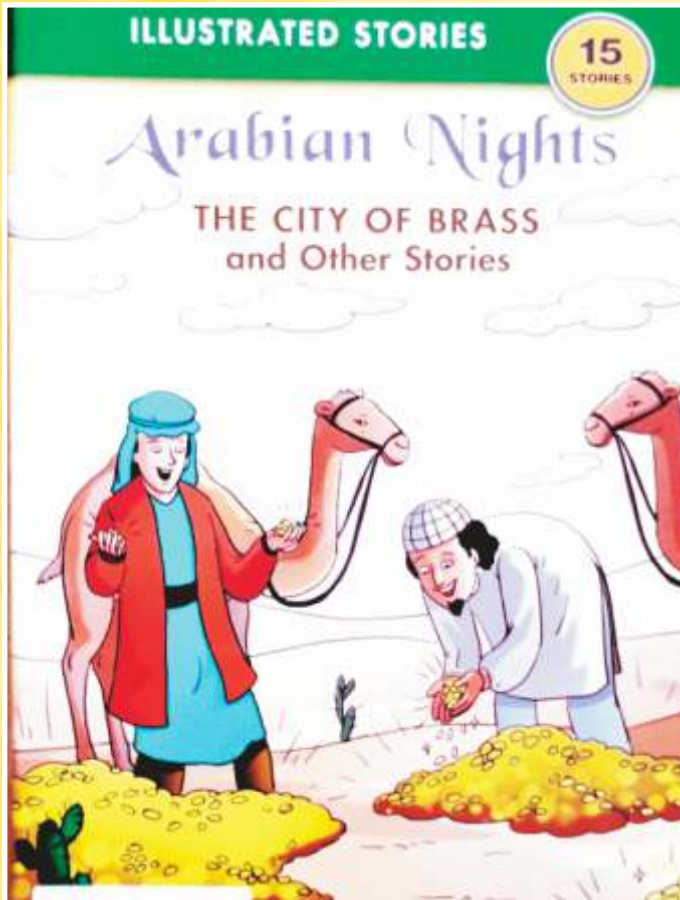

Vocabulary enrichment system in CPS is well planned and smartly designed

Handwriting Competition

Language Development

Reading improves IQ Level. Reading habit is essential for the students. Cpians get different story books to develop pleasure reading habits, empowering them each to enrich vocabulary and strong thinking skills.

Scrabble Competition is held every month to improve vocabulary.

Parenting tip by Mrs. Alka Sharma : If you want to improve your child's IQ, support him to have his own home library and inculcate the habit of positive reading

One Skill Development

CPS believes that every child has some talent. To further develop that talent and make it refined the 'One Skill Development' programme was conceived. The children at CPS receive guided training under experts to hone their skill in their field of choice, be it sports, music, fine arts, handicraft or any other scholastic skills. It is a platform to discover oneself and achieve excellence.

Innovation through Art & Craft

Playing Table Tennis

Traditions, Technique & Technology

CPS has kept the Indian traditions alive by respecting its culture and heritage, at the same time has kept pace with the modern techniques of education. It has the amalgamation of tradition, technique and technology working in tandem. Cpians proudly celebrate all the festivals and stay connected with our traditions.

Gurunanak Jayanti

Ganpati Bappa Moriya

Merry Christmas

Shubh Deepawali

Basant Panchmi

Cpians learn to be connected to their roots by celebrating important occasions and receive enlightenment.

Parenting tip by Mrs. Alka Sharma : Main goal of any festival is to increase positivity in family and in the whole society. Celebrate your festival with enthusiasm, create an environment of joy, spend quality time together. Remove all negativity, never stop talking with any family member, NEVER CRITICIZE any family member in front of children. It is very harmful for young minds.

Traditions, Technique & Technology

CPS embraces new technology in class room. A pioneer in new teaching techiques

Smart Class

Digital CPS towards Digital India

State-of-art Computer Laboratory

Chemistry Laboratory

Physics Laboratory

Cpians - Inquisitive minds receive inputs in laboratories - Making of Young Scientists.

CPS means-Devotion, Dedication and Determination

Feeling of belongingness, Impact and effect of campus environment.

FEELING OF BELONGINGNESS (अपनेपन का भाव)

सी. पी. एस. की विशिष्टता है 'अपनेपन का भाव' श्रीमती अलका शर्मा ने जब विद्यालय की नींव रखी तब से लेकर आज तक उनकी सोच यही है कि यदि बच्चों व शिक्षकों के बीच अपनेपन का भाव होगा, बॉन्डिंग होगी तब ही वह तत्परता से शिक्षक की बात मानेगा, और फिर मन से उनका कहा कार्य करेगा।

Mrs. Alka Sharma believes that the feeling of belongingness develops readiness to learn willingly. Togetherness / teamwork / bonding and connectivity leads to very happy and joyous learning experiences. Mrs. Alka Sharma affirms that a little child with bright sparkling eyes, joyous heart can do any work successfully. Keeping this in mind she has planned a curriculum focusing on the eight kinds of development. A student who is spiritually strong, emotionally stable, socially useful, physically fit with good mental aptitude; expert in atleast one skill and has a positive outlook following a healthy routine is a true Cpian, as dreamt by our Chairperson Mrs. Alka Sharma.

SOME DISTINCTIVE POINTS

Cpian are exceptionally good human beings. They enjoy maximum opportunities to blossom, receiving a strong platform for nurturing their talents at CPS. They are avid readers, every child reads plenty of books. There is a special reading class. They are fluent in multiplication, tables and solve mathematical problems articulately. Special stress on good spellings is laid. There is regular monthly dictation of words from all subjects which is a unique feature of CPS. Good handwriting is what CPS is proud of, every child writes in beautiful hand writing. To develop a strong base, special and unique practice papers are framed for students of all classes. Emphasis is laid on at least, one - skill development programme, the best output of CPS is State & National level sports stars who have emerged from this programme.

AGILE MIND

Maths Book & Sheets

A magical book of maths you always wished for your child

Writer
Mrs. Alka Sharma

Agile Minds is an endeavour to fulfill the needs of students who have numerical ability and requires enrichment. The book is divided into 4 sections consisting of Sums, Tables, Spellings and Numbers for the students of HKG to Second.

My academic Interest and passion has always driven me into researching on new techniques of learning and teaching. I believe this book will be a magic book that will inspire and arouse a child's interest and curiosity in problem solving without any stress and provide the thrill to addicted to Maths. The book is carefully planned to give comprehensive coverage through clear explanation and supporting revision exercises/test papers to equip the child for successful achievement. It is my blessing and good wishes to all the children using this book.
